| 6 | Inauguration of I MBA & MCA Batch 2024-26 | 16/12/ 2024 | 100 | Mr. Ajay Krishna K., Proprietor, GK Industries, Peramogru, Bantwal Sri. Ravikrishna D Kallaje, President of the Function, VCET | 1,2,5,7 11, | 1,2 |

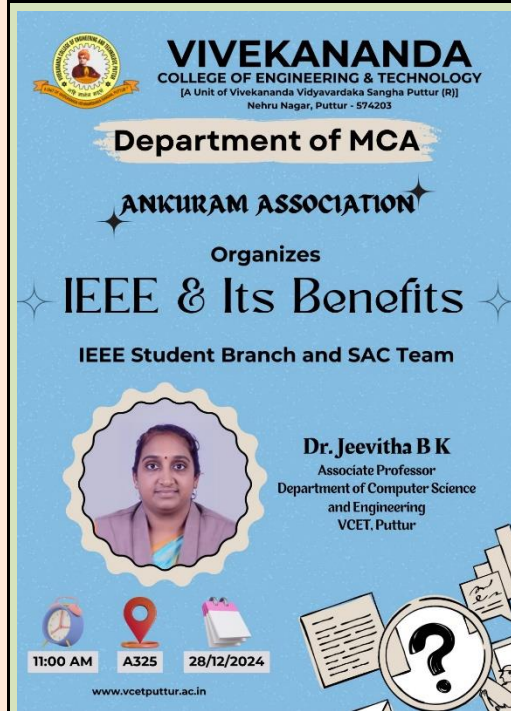

The Post Graduate Departments of VCET, Puttur, celebrated the inaugural ceremony for the MBA and MCA Batch 2024-26 on December 16, 2024, at 11:00 AM. The event commenced with the traditional lamp-lighting ceremony and an invocation, setting an auspicious tone. Chief Guest Mr. Ajay Krishna K., Proprietor of GK Industries, encouraged students to focus on skill development and entrepreneurship. Sri Muralidhar Bhat, Treasurer, VCET Governing Council, motivated students with the vision of VCET as "Vision, Courage, Education, and Target," while Director Sri Ravikrishna D. Kallaje emphasized independence, personality development, and calculated risk-taking. Principal Dr. Mahesh Prasanna K. urged students to approach challenges with determination and confidence. The event featured the release of the MBA newsletter "UDBHAVANA" and the introduction of the MCA "Ankuram Association" activities. Dr. Robin Manohar Shinde delivered a warm welcome, and Dr. Jothimani K. concluded with a vote of thanks. The program, attended by dignitaries, HoDs, faculty, staff, and students, was a resounding success, marking a promising start for the new batch.

Talk on “Living the Values” was organised for the benefit of I MCA students. The talk was delivered by Guest Speaker, Mrs Madhavi R Pai, Assistant Professor, Department of Basic Science, VCET Puttur, on December 26, 2024. Speaking with conviction, the resource person shared: "Living the values is about embodying principles that guide us toward a meaningful and harmonious life. It involves cultivating gratitude, embracing truth, and fostering love in our relationships. By living in alignment with nature and upholding universal human values, we contribute to the well-being of both ourselves and the world around us. These values inspire us to live with integrity, compassion, and a deep sense of interconnectedness." All students of I MCA have actively participated in the program.

The inauguration ceremony of the student association 'Ankuram' of the Department of MCA was held on 21-01-2025 in Visvesvaraya Hall, Krishna Chethana Block. The event aimed to foster collaboration, innovation, and holistic development among the students of the department. The program began with an invocation to seek blessings, followed by a warm welcome address delivered by Ms Jovita , Student coordinator. The event was graced by the presence of Sri Ravikrishna D Kallaje, Director, VCET governing Council Puttur who inaugurated the association by lighting the lamp and delivered an inspiring keynote address. He highlighted the need for continuous learning, leadership, and teamwork among students to thrive in their professional careers. Director of MCA Dr Jothimani K elaborated on the objectives and vision of 'Ankuram.' The association aims to organize technical workshops, seminars, and cultural activities to enhance both technical proficiency and interpersonal skills among students. The program also included Prize distribution program showcasing the talents and enthusiasm of the students. The inaugural session concluded with a vote of thanks delivered by Ms Vandya 2nd year MCA Student followed by Freshers day. The event set the stage for a promising year ahead, with students showing great enthusiasm to contribute and participate in upcoming initiatives under the banner of 'Ankuram'

| 13 | Hands-On Session on Full Stack Web Development | 13-02-2025 | 36 | <p>Mr Hariprasad K Senior Web Developer The Web People</p> <p>Mr P M Venugopala Junior Web Developer The Web People</p> | 1,2,3,4 5,6,7,8 | 1,2 |

Hands-On Session on Full Stack Web Development was organized for Final year MCA students. The Session was held by Resource Persons Mr Hariprasad K, Senior Web Developer and Mr P M Venugopala , Junior Web Developer at The Web People on February 13, 2025. The session aimed to equip MCA students with practical knowledge of front-end, back-end, and database management in web development. The event was supported by IEEE Mangalore Subsection and IEEE Bangalore Section.

The session was highly beneficial for MCA students, as it bridged the gap between theoretical learning and practical implementation. Participants appreciated the interactive approach and real-time coding exercises, which enhanced their confidence in working on web development projects. The Hands-on Session on Full Stack Web Development provided MCA students with a strong foundation in web development and industry-relevant skills. Such initiatives play a crucial role in preparing students for career opportunities in software development. The event was a great success, and similar sessions in advanced web technologies are recommended for the future.
