Department of Mechanical Engineering, Vivekananda College of Engineering and Technology, Puttur in coordination with the Alumni Association, VCET organized virtual alumni meeting from 04-01-2022 to 28-01-2022. Around 85 alumni of VCET-ME participated in this event and shared valuable inputs for strengthening the Alumni Forum as well as their contribution towards Mechanical Engineering Department. 6 sessions were conducted according to passed out years (2008-2021). Alumni interaction was good and they shared memorable moments of their college life too. They also shared their views of professional life and student life. They insisted to do courses on new design software regarding machine design and GDNT, etc to gain knowledge on various domains which is very essential for the corporate field. They also told that reducing the gap between the Industries and Technical institutions by adapting industry-related things in Academics. Alumni are assured that on regular basis they will conduct/give the webinars/workshops/Internships/project works, etc to the students to guide them into the Industrial point of view.
