Staff Achievements

SL. No	Staff Achievements
1	Dr. Shrikanth Rao has attended a talk on " Five day FDP on emerging technologies,challenges and Research prospecties in healthcare in respect to biomedical imaging and cancer detection using AI,ML & nano technological concepts sponsored by VGST held at DSCE,Bangalore on 22/10/2024.
2	Dr. Mahantesh R chodhari has attended a talk on " Five day FDP on emerging technologies,challenges and Research prospecties in healthcare in respect to biomedical imaging and cancer detection using AI,ML & nano technological concepts sponsored by VGST held at DSCE,Bangalore on 21/10/2024.
3	Prof. Sowmya Anil has attended a talk on " Five day FDP on emerging technologies,challenges and Research prospecties in healthcare in respect to biomedical imaging and cancer detection using AI,ML & nano technological concepts sponsored by VGST held at DSCE,Bangalore on 22/10/2024.
4	Prof. Rajani Rai has attended a talk on " Five day FDP on emerging technologies,challenges and Research prospecties in healthcare in respect to biomedical imaging and cancer detection using AI,ML & nano technological concepts sponsored by VGST held at DSCE,Bangalore on 22/10/2024.
5	Prof. Prabha G S has attended a talk on " Five day FDP on emerging technologies,challenges and Research prospecties in healthcare in respect to biomedical imaging and cancer detection using AI,ML & nano technological concepts sponsored by VGST held at DSCE,Bangalore on 22/10/2024.
6	Prof. Shivaprasad has published a paper titled "Design and Development of a Virtual laboratory using the Python Web Framework Django to Carry Out Experiments in the Stream of ML,DSP and Digital Communication". Journal Name : Communications in Computer and Information Science.
7	Prof. Shivaprasad has given a technical talk on " Harness the power of machine Learning- Hands on workshop on ML & its applications" held at MITE Moodbidre on 23rd and 24th of October 2024.
8	Prof. Nisha G R has Participated in the five day online FDP on " early detection of cancer: bridging academia and clinical practice" organised by Department of ECE St. Joseph engineering College, Mangaluru in association with the Centre for training and learning, NIT Warangal during 10th to 14th of September 2024.
9	Prof. Nisha G R participated in two days. Scientific work shop on " role and significance of multimodal registration in routine clinical evaluation" organised by Department of ECE, MIT, Manipal, MAHE in association with Dr TMA Pai, endowment chair on multimodal medical image registration on 11th and 12 April 2024
10	Prof. Nisha G R Participated in Five day national level workshop on "creation of research ID through online " from 21st to 25th January 2024 from Bala's V V Academy, Chennai.

11	Rajani Rai B, Karunakara Rai B, Mamatha A. S., and Kavitha Sooda authored the article *"Advancements in Epilepsy Classification: Current Trends and Future Directions,"* which was published in the journal *MethodsX* in 2025. The article can be accessed online via its DOI: https://doi.org/10.1016/j.mex.2025.103257
12	Ms. Rajani Rai B, Assistant Professor at VCET, Puttur, was the resource person for a session on "How to plan for Start-up – Engineering the Future of Healthcare: The Power of Biomedical Signals". The activity was conducted on Tuesday, 6th May 2025, from 2 PM to 5 PM, and targeted UG, PG, and PhD students. The session was organized by the Department of ECE, Dayanand Sagar College of Engineering and Technology,Bangalore.
